

## **Bluemont Fair Collectibles and Antiques Flea Market**

The **Bluemont Fair Collectibles and Antiques Flea Market** will celebrate its 47<sup>th</sup> year in 2018!

The Antiques and Fleas Market is part of the 49<sup>th</sup> Annual Bluemont Fair which is celebrated each fall during the third weekend each September. We are a country fair located in the historic village of Bluemont in Loudoun County, Virginia. This year our fair will be held on:

**September 15<sup>th</sup> and September 16<sup>th</sup>, 2018.**

The field for this venue is a flat grassy field next to the main gate and main parking with a beautiful pond for our backdrop and a great view of the Blue Ridge mountains! It offers a 10' x 10' space to set up your wares. Musicians and food vendors and the children's fair are all nearby creating a very festive fair ambience! You get to see the fairgoers as they are coming *and* going and many purchases happen as visitors are on their way back to their cars. I hope you sign up for this year's fair to take advantage of the beauty and success of our new location!

This two day fair begins on Saturday and continues through Sunday between the hours of 10:00 am and 5:00 pm.

Vendors may set up on Friday afternoon/evening. The fee for participating in the Collectibles and Antiques Flea Market for the 49<sup>th</sup> Annual Bluemont Fair is \$130.00 which includes both Saturday and Sunday.
